

## INTRODUCTION

The Oxford Institute is a non profit organization founded by academics and alumni from the Oxford University. The Oxford Institute runs two-week residential summer programmes "the Oxford Experience", in the month of July and Aug, which focuses on three themes - Oxford Learning, Leadership, and Lifestyle.

The Programme provides students with the rare chance to experience life as an undergraduate student at Oxford University - they reside in university accommodation, dine in college dining halls, attend courses delivered by the Oxford University scholars and academics, and explore other facets of student life in the city.

We are accredited by the British Accreditation Council as a further education and short course provider.

Our strength lies in the holistic and personalised nature of the Programme.

The Oxford Institute shall run two camps in Summer 2020, one at Oxford and one at Oxford-London in which all the participants will get a chance to spend one week at Oxford and one week at the London School of Economics, whereas in our flagship Oxford Camp students shall spend 2 week at University College (UNIV).

## STUDENT TESTIMONIALS

*"My experience here at Oxford has been really amazing. I made new friends and learnt so much."*

**Anieli Cheon - USA**

*"My time at Oxford has encouraged me to study abroad."*

**Yuto Imamoro - Japan**

*"The Oxford experience is really nice. Their tutorials are very unique. This was by far the best summer of my life"*

## OXFORD LEARNING

## OXFORD LEADERSHIP

## OXFORD LIFESTYLE

### Tutorials:

We are the only summer program in Oxford which places Oxford University's unique teaching method - the tutorial system - at the heart of our teaching approach - students are assigned in groups of 1 to 3 to have intensive daily sessions with their tutors.

### Lectures:

Special lectures are organized by acclaimed Oxford professors and researchers to give students a taste of emerging topics at the cutting edge of research.

### Courses:

Most program participants are from O/A Levels, IB, IGCSE/GCSE background. We offer 32 different subjects.

### LIST OF SUBJECTS

#### Arts and Humanities

World History	Theology	Drawing & Fine Art	Classics
English Language & Literature	Music	Creative	Photography

#### Physical Sciences

Mathematics	Physics	Chemistry	Biology
Medicine	Engineering	Information Technology	Statistics

#### Social Sciences

Economics	Politics	International Relations	Law
Psychology	Business Studies	Social Entrepreneurship	Geography

### Public Speaking:

Parliamentary-style debating is an integral part of the Oxford Experience. Students are coached in debating by champion debaters from the Oxford Union, the world's most prestigious debating society.

### Admissions Counseling:

At admissions counseling sessions our counselors share their extensive experience navigating each step of the application process to top universities in the UK, USA, and Canada.

### Career Guidance & Mentorship:

At Oxford, students are exposed to a large variety of career paths, from academic research to business and entrepreneurship, science, law, and public policy. Students interested in exploring these careers or striking out on other paths can receive guidance from our on-site Counsellors through workshops or individual sessions.

### Magical Oxford:

Oxford is one of the most beautiful cities in Europe and the Colleges at Oxford University are hundreds of years-old. Living in these Colleges, having tutorials in their lecture rooms, eating in their Halls, gives students a chance to immerse themselves in a unique environment which cannot be replicated anywhere in the world.

### Excursion trips and sports:

In order to broaden students' horizon, the Oxford Institute organizes trips to various museums, art galleries, palaces and key tourists attractions in Oxford as well as a day trip to Central London.

Sports activities such as cricket, croquet, punting and football are also arranged, along with movie and musical nights.

### Culture and Diversity:

The Oxford Institute hosts students from different countries across the world. Students have a chance to interact with peers from diverse cultural backgrounds and form life-long friendships.
